52nd Annual Report for the year 2016-2017

Dear Members,

I take the pleasure in presenting this 52nd Annual Report of Computer Society of India (CSI) for the year 2016-17.

The year 2016-17 has been a significant year for CSI in various fronts like- signing of MOU's, formation of new chapters, webportal development, International Awards, Go-Green Initiative, International Events and CSI Annual Convention 2016.

Accomplishments in the year 2016-2017-

MOU with PMI, Springer, IEEE CS and iB Hubs- An agreement was signed with Project Management Institute for imparting trainings on Project Management and Audio Visual Technology. To improve the quality of our publications CSI signed an agreement with Springer to publish the proceedings of the CSI Conferences which meets the international standards prescribed by Springer. The MOU with Springer is valid upto December 31, 2020.

MOU between CSI and IEEE for CSI-IEEE CS Education Awards was signed between Mr. Robert U. Fujil – President IEEE-CS, Mr. Barry L. Shoop- President – IEEE INC and Dr. Anirban Basu- President CSI in the month of August 2016. This award is for recognizing the contributions of academicians with excellent track record. It was for the first time that CSI-IEEE Education Award was presented.

MoU with iB Hubs for the benefit of CSI Student Branches- In line with the Start-up India initiative of the Government of India, during the CSI National Convention inaugurated at Coimbatore on 23rd January, 2017, CSI signed an MoU with iB Hubs, a pan-India Start-up and innovation hub for the benefit of the CSI Student branches and students. iB Hubs assists young entrepreneurs by providing support in incubation, mentoring, funding and skill development.

New chapter formation. - On 1st April 2016, CSI Amravati Chapter was inaugurated at MBA Hall, Sipna College of Engineering and Technology Amravati. CSI Gunupur chapter was inaugurated on 30th July 2016. More than 100 CSI life members, 500 student members participated in this inaugural ceremony.

Webportal activities- List of Distinguished Speakers and Consultants have been put up on the web portal so that the IT community in large can approach them as per their requirement.

International Awards- The year 2016 saw the prestigious Awards of International repute i.e SEARCC AND CSI-IEEE CS EDUCATION AWARD. The Award consisting of a plaque and US\$500 was presented to Dr. S.T Selvi.

CSI Communications and Go-Green Initiative- As per the Digital India initiative and directives of the Government of India to Go-Green, CSI decided to offer hard copy of CSI Communications only to those members

who had sent their preferences for the same. Soft copy of the magazine is made available all the valid members including student community.

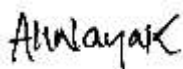

International Events- Computer Society of Sri Lanka held their Annual Conference NITC 2016 at Galadari Hotel Colombo from August 8-10 2016. CSI was one of the invited member .The theme of the conference was Enhancing Sri Lanka through Digital Disruption. The conference was attended by President of CSI- Dr. Anirban Basu.

CSI is trying to increase it's participation in ICANN and had a meeting with Head of India operations of ICANN about participation in ICANN 57 which was held in Hyderabad during November 3-9, 2016. India with a large number of internet users must play a role in policy formulation on use of internet.

The SEARCC International Schools Software Competition 2016 (ISSC 2016) was held from November 4-6 2016 at Bangalore. Teams from Australia, Taiwan and India participated and there was close contest among the teams.

CSI Annual Convention 2016- Due to the sad demise of Chief Minister of Tamilnadu Smt. Jayalalitha the CSI Annual Convention of 2016 which was to be conducted at Coimbatore in the month of December 2016 from 8-10, was postponed to January from 23-25, 2017. Although it got rescheduled the response was overwhelming.

The year ended with a positive note and my term as Hony. Secretary will end on 31st March 2018. I am grateful to the Society as well as to all the members that I had the privilege of participating in all the major activities of CSI through which I was able to connect myself with the members and was able to share my knowledge and insights for enhancement of the IT community.
