Mission and Vision

The Fakir Mohan University is committed to develop itself as a value and need based quality education provider in the state of Odisha in general and Balasore and Bhadrak districts in particular. It has the ultimate objective of producing qualified and competent manpower responsive to the changing needs of the society at the national and international levels.

In its quest for being an outstanding centre for learning and development of human resource, it cherishes a clear vision and mission. It has become very consistent in its recruitment policy and, as a result, it has recruited brilliant scholars specializing in various areas of the nine front line Departments with allied disciplines possessing enormous potential to generate employment and entrepreneurship among the students.

The Vision of the University is to promote the following:

- The Culture of Excellence
- The Culture of Innovation
- The Culture of Quality
- The Culture of Flexibility and Dynamism
- The Culture of Sustainability

It has following missions through which it seeks to stimulate and promote professional competency among the students and faculty:

- To provide opportunities to students and faculty to acquire higher qualification and experience.
- To provide continuous learning opportunities for students, faculty, staff and working professionals.
- To provide wide scope for research, design and development.
- To provide consultancy relevant to areas of specialization and expertise.
- To provide scope for practicing innovative teaching and learning methods.
- To provide access to the best intellectual resources.
- To encourage college and other institutions to develop coordination in academic and research activities of common interest including preliminary research exposure to undergraduate students.

Special features of the University

- Non-negotiable academic calendar and timely publication of results
- Timely conferment of Degrees and Certificates
- Computer and web based teaching Departments
- Health insurance coverage to all students
- Personality development programmes for students
- Campus interviews and Placement for the students

Collaborations/linkages with National institutions

- The Department of Information and Communication Technology has established linkage with Proof and Experimental Establishment (PXE), and Integrated Test Range (ITR), Balasore in undertaking research.
- The Department of Applied Physics & Ballistics has offered the M. Sc. courses in Applied Physics & Ballistics with active support from Proof and Experimental Establishment (PXE), Chandipur, Balasore.
- Other Departments have also established linkage with local industries for research and consultancy.

Bilateral collaboration with University of Rome “Tor Vergata” for research on Biodeterioration of stone monuments of cultural heritage and their conservation.

Some healthy practices followed in the University

Personal Advisory System

Students of all PG Departments are put under the advisory responsibility of an individual teacher of the concerned Department. Each teacher (except the HOD) takes responsibility of a group of students of his/her Department and keeps a vigilant eye on the students allotted to him/her and guides such students in curricular and co-curricular activities.

Evaluation of teachers by students

The University has accepted the UGC guidelines relating to evaluation of teachers by the students. The evaluation of teachers by students is a regular practice in the University since 2005. It is conducted twice in each academic session.

Health Insurance

The University has an insurance scheme for the students known as Janata Personal Accident (JDA) offered by National Insurance Company Ltd. All the students admitted into 1st Semester are brought under the insurance coverage. The insurance coverage is valid for 2 years (Four Semesters).

Training and Placement

It is an essential component in any professional education and also to the students of all Departments. The cell contacts industries throughout India for the summer training / project work of the students. A faculty member is looking after the Training and Placement Cell. The Cell is taking up career guidance for students and arranging Campus Interviews. It also arranges Entrepreneurship Motivation Camp for the students to take up Entrepreneurship as an alternative career.

(V) DEPARTMENT OF ENVIRONMENTAL SCIENCE

ABOUT THE DEPARTMENT

The Department of Environmental Science started in the academic session 2004-05 with M. Sc. Course in Environmental Science in regular mode. Subsequently the Department started M. Phil. programme in Self-Financing mode from the academic session 2006-07. Further, M. Sc.

Chemistry has also been opened in Self-Financing mode in the Department, from the Academic Session, 2012- 13. Besides having computer and internet facilities, the Department is also equipped with sophisticated equipment like Atomic Absorption Spectrophotometer (AAS), High Performance Liquid Chromatography (HPLC), Plant Efficiency Analyzer (PEA), UV-Vis Spectrophotometer, Spectroquant, etc. The faculty members are committed to produce trained man power with the skills of managing environment, both at regional and national levels. Besides teaching the faculty members are also actively engaged in research in the areas of environmental monitoring, waste management, resource conservation, environmental remediation etc.

(VI) DEPARTMENT OF BIO SCIENCE & BIO TECHNOLOGY

ABOUT THE DEPARTMENT

The Department of Biosciences and Biotechnology has started the regular Post-Graduate teaching programs in Biosciences and Biotechnology in the year 2004. Department of Biotechnology (DBT), Govt. of India recognized the Department in 2007 as the centre for DBT-BTIS-net Bioinformatics Centre (BIF) for Structural and Computational Biology work. Under this program, the Centre imparts training to students, researchers and teachers on various aspects

of Bioinformatics. Presently 1 Research Associate and 2 trainees are working under the BIF project. Department of Science & Technology (DST), Govt. of India sanctioned funds for infrastructural development under “FIST-2008 program”. Research is a core component of the academic curriculum starting with M. Sc., MPhil as well as PhD. A wide range of research activities that addresses important biological, biomedical and biotechnological problems are being conducted. The scientific success of our department rests on its interdisciplinary research environment through close interaction of specialists from different fields. Funding for research activities are through various Govt. Agencies (DST, DBT, UGC, INSA, BARC, DRDO, WWF etc.) and through International Scientific Collaborations.

Department is enrolling the students for Ph.D degree work and Post PhD research works under the guidance of the faculties. M. Sc. and M.Phil. Students are admitted from any discipline of Biological, Natural, Medical, Agricultural and Veterinary sciences. The Department conducts various Seminars, Conferences and Refresher courses etc. regularly. The personal advisory system is implemented for a close interaction between the students and teachers for overcoming the difficulties and deficiencies of the students. The Department plans to expand to a School of Integrated Living Systems. Objective of the Department: "Establishing a Foundation for Recent Advances in Life Sciences and Inculcating Biotechnology as a Challenge for the Future".

APPENDIX –II (Anti Sexual Harassment Cell)

Fakir Mohan University has pledged to form a gender sensitive campus. Following the guidelines on the prevention of sexual harassment in the work place as laid down by the

Supreme Court of India, the University has re-constituted its Gender Sensitive Cell with the objective to take up gender issues within the campus. The Cell is comprised of the following members:

1. Prof. Geetanjali Dash. (Department of Social Science)
2. Warden, P.G. Hostels, F.M. University, Balasore
3. Dr.Padmali Routray (Department of Business Management)
4. Dr.Shubhashree Mohallik (Department of BS & BT)
5. Ms.Mamata Mohapatra, Social Worker, Balasore
6. Ms.Aryadhara Das (Senior Assistant)

What is Sexual Harassment?

Unwelcome sexual advances, requests for sexual favours and other visual, verbal or physical conduct of a sexual nature constitute sexual harassment when it is implicitly or explicitly suggested that submission to or rejection of the conduct will be a factor in academic or employment decisions or evaluations or permission to participate in the University activity, or when the conduct has the purpose or effect of unreasonably interfering with an individual's academic or work performance or creating an intimidating or hostile academic work or living environment.
