## From the Desk of Founder Vice-Chancellor

Dear Students,

I appreciate your interest in Central University of Rajasthan. I am fortunate to have had an opportunity to serve this university as a founder Vice Chancellor. In view of the global scenario of higher education, there has been a need of world class universities having benchmarks for excellence through inculcating best practices for sustainable development of society and the nation. In this context, fifteen Central Universities were established by the Central Government aiming to have a global perspective in quality education for excellence. The Central University of Rajasthan is one of them which came into existence on March 3, 2009. It gives me great satisfaction that among the newly established central universities, the Central University of Rajasthan is one of the fastest growing universities having its own campus with excellent infrastructure.

The academic structure of the university was designed with inputs from stakeholders and suggestions received from renowned academicians, educationists and scientists from India and abroad through the Blog: [www.mmsalunkhe.worldpress.com](http://www.mmsalunkhe.worldpress.com) created at the time of its inception. The foundations of the university were laid down on lines of its vision and mission that it will provide unparalleled educational opportunities for learner community especially to the lower social economic strata of the society seeking the highest quality education that will lead to formation of scholarly community. The university has adopted best practices for excellence with quality framework set by national and international bodies.

In the year 2009, with 40 students admitted in two programmes, there are over 1200 students from 23 states and some international students enrolled recently in 50 unique academic programmes, most of these are focused on university's motto 'Education for Sustainable Development'. A Community College was established which offers two vocational certificate programmes. Keeping in view of inclusiveness and access to education, the fee structure of all programmes is low as compared to many similar institutions. It is creditable that around 150 Post Graduate and research students from various departments of the university have cleared NET/SET/GATE and other national level examination during the last three years. Also 100% students are accepted by reputed institutes/organization/companies for summer training. The students get excellent training through Project Work at Post Graduate level which is a mandatory requirement for the degree. Organizing national and International conferences, seminars, workshop is a routine feature of the university. During such academic events students get opportunity to interact with subject experts, eminent scholars and scientists invited from prominent Institutions of India and abroad. It is a matter of great satisfaction for the university that our successful students have either joined Ph.D. in reputed universities in India and abroad or they got good placements in reputed organizations.

These indices of students' performance depict quality of academic programmes and successful efforts in implementing the best practices by the university. In order to impart quality education and to inculcate research culture in the university, we succeeded to recruit teaching faculty from IITs/Research Institutes/JNU/DU/BHU and other reputed universities of India. Many of them are Post Graduate/ Ph.D./having Post-Doctoral experience from universities of USA, Canada, UK, Germany, Japan, Korea, Thailand, Switzerland and others. The University has also entered in MoU with Universities of Australia, Russia, and US etc. for students/Teachers exchange programmes and developed linkages with many organizations for collaborative research. I am sure our efforts for adopting quality parameters and best practices of higher education since its foundation will lead to a brand name of the university at international level in times to come and make this university unique. The e-Prospectus displays a brief profile of the university which conveys its distinctive character. I wish you all an academically rich and culturally fruitful experience at CURAJ.

Prof. M.M. Salunkhe

## Vice-Chancellor's Message

---

Dear Students,

On behalf of the Central University of Rajasthan, I extend a warm welcome to all the aspirants interested in seeking admission in the university. The university has developed a state-of-the-art infrastructure in a very short period of time and can boast of being one of the leading central universities with separate hostel accommodation for girls and boys. The university works on the motto of "Education for Sustainable Development" and has so far lived up, to promote and uphold the same.

The programmes offered by various schools and departments are all unique and job oriented. The students are assigned independent (funded) projects to work on within the country and abroad. Beyond this they have the flexibility to choose from a wide on within range of subject choices. The university also follows the open credit system. Because of the International exposure that the students get, they have immense opportunity for growth. The university takes pride in having the best faculty from around the country, as many of them have completed their doctoral and post-doctoral from countries like USA, Canada, UK, Germany, Japan, Korea, Thailand, Switzerland etc.

I hope the university will not only continue to grow but also begin to make a difference as a frontline bastion of higher education in the lap of Rajasthan. At last, I strongly believe that the Central University of Rajasthan has thus far successfully etched its trajectory in the academic domain of Rajasthan. Besides, I am hopeful too that it shall rise as an institution ever responsive to the call of society, holding the light of knowledge aloft amid the fast-altering global scenario.

Given the present status and future growth of the university, I can say for sure that the students will get rich exposure and better placement on passing out. I wish you all the best for an illustrious career ahead.

Prof. A.P. Singh  
Vice Chancellor

The journey of Central University of Rajasthan began with Prof. M. M. Salunkhe taking charge as the founding Vice Chancellor on 03rd March, 2009. As the first move, opinion of the global intelligentsia on the Concept Paper of the university was obtained and accordingly two PG programs were launched from the university's temporary site at MNIT Jaipur: M.Sc. Tech. Mathematics and M.A. /M.Sc. Statistics (Actuarial Science). Soon after, within a year, a land stretch of over 518 acres was acquired for the permanent campus of the university. And to speed things up, the university took another temporary foothold at R.K. Patni PG College Kishangarh and continued to diversify academically with every passing session. Thus, six new academic programs were introduced in 2010-11 upholding the motto of 'Education for Sustainable Development'. M.Sc. Chemistry, M.A. Economics, MBA, M.Sc. Computer Science, M.Tech. Computer Engineering and M.A. English were all so designed as to promote both environment-friendliness and employability of the students. Likewise, the next session 2011-12 too brought in the opening up of another six new programs, with special focus on job potential and cultural bolstering: M.A. Culture and Media, M.A. Hindi, M.Sc. Biotechnology, M.Sc. Environment Science, and M. Arch. In the meanwhile, the university had four buildings constructed in a span of 09 months and by January 2012 the entire set-up of the university was shifted to Bandarsindri, the site of its permanent campus. This made the Central University of Rajasthan the first Central University (of the newly established ones) to be shifted to its permanent campus.

Keeping the tempo up, the session 2012-13 further diversified the spectrum of academic courses offered at the university. With a blend of innovation and sure-footedness, another six new programs were set afoot: Masters in Pharmacy, Microbiology, Bio-Chemistry, Social Work, Public Policy Law and Governance, and Commerce. Besides, Ph.D. in all the 20 existing programs was also initiated with a view to developing the university as the breeding ground for ideas of 'sustainable development'.

Responding to the society's call for good teachers, the university came up in 2013-14 with another novelty in academic domain: M.Sc. B.Ed. Integrated and M.Sc. with Diploma in Education. These courses began at 12+ level and offer highly streamlined path for pursuing hither-to unavailable combinations of various branches of science, viz. mathematics at B.Sc. level for those who had biology at plus-two level. With several such blends from Mathematics, Physics, Computer Science, Environment Science, Economics, Bio-chemistry, Micro-biology, Biotechnology, and Chemistry, the university set stage for academic re-structuring of disciplines.

**Learner-centric Vision:** Qualifying through the all-India test called CUCET; the students at Curaj get a wide array of inter-disciplinary programme to choose from. Coming from diverse locations within and outside the country, the students have Choice-based Credit System, Audit Courses and other such flexi-schemes on offer. As for financial assistance, the University facilitates various fellowships through state- and union-government agencies (JRF, GATE etc.). In addition, three top-ranking students of every program are entitled for one-thousand rupee scholarship per month.

**Faculty Profile:** The University is studded with members of faculty with education/training/experience/research at highly reputed institutions situated in the country (IIMs, IITs, Central Universities, and Centers of Excellence) and abroad (Australia, Germany, the USA, Canada, Sweden). Highly qualified teachers are thus being phased in.

**Infrastructure:** The University has come a long way now into the 5th year of its inception. Beginning with only four buildings, now there are seven permanent hostel buildings in addition to four more semi-permanent buildings for class-rooms and offices. The guest-house, having around 60 rooms, is also about to get ready. Presently, there are over 1000 students on the campus. Uniquely, the entire campus is so designed as to go easy on resources and at the same time to promote environmental quiescent. Aiming at 04 star GRIHA rating, greenery

and cleanliness are ever on top priority. As for other facilities, the university has a bank (Bank of India), a post office on the campus and it is all set for a Kendriya Vidyalaya to open up in 2015-16. Besides, the university is well equipped with latest technology whether in laboratories or the library (Inflibnet and other e-resources) or the class-rooms (with projectors and video-conferencing facility). There is 01 GB WIFI connectivity all across the campus. The students have all facilities for indoor and outdoor sports apart from separate gymnasium for boys and girls.

**Our Achievers:** The University is proud to have scores of achievers amongst its alumni, and equally high number amongst those still pursuing their courses at the university. As per the statistics, 23 of our students have got through the Institute of Actuaries in India test, over 30 students have cracked GATE and over 50 students have qualified NET in various subjects. Likewise, Curajians have come up victorious at several sports events at national and regional levels. One of our students has become an assistant commandant with Sashatra Seema Bal, and another one, an Assistant Professor at University of Rajasthan, Jaipur.

**Our Clubs:** Along the course of its journey thus far, the university has spawned several clubs to nurture the students' talent. There are Literary Club, Film Club, Lenswala, Navsrijan, Economania, Music Club and such others. These clubs often act as fora for the students' genius to find expression.

**Placement Drive:** The University has not focused merely on educating students; instead its journey is marked by initiatives for getting the students placed in good positions. First at the Mega Placement Fair and then at Industry-Academia Meet scores of students saw first fruition of their endeavors, the first one being an international one with Swiss Ray Hong Kong.

**Generation of Knowledge:** The University has proudly put special efforts in service of society by way of generating relevant knowledge. By 2013, 07 international, 05 national conferences and 07 workshops had been organized while the faculty have published around 70 international and 50 national research papers. Besides, several research projects are underway, including one in Environment Science fetching 1.6 crores.

**MOUs and Partnerships:** The University has tied up with several institutions of high repute for educational and professional purposes. GENPACT, A3 LOGICS, BANK OF INDIA, Gorno Altaisk State University, Russian Federation, California State University, San Bernardino, Monash University, Melbourne, Australia and CQ University, Rock Hampton, Australia are a few of our partners. Besides, Centre for Technology Incubation, Community College and Community Radio are other ventures worth-mentioning.

**Investiture of Committees:** For proper functioning of the university, several committees have been formed at various levels. These shall attend to affairs pertaining to a variety of matters falling under their purview. Special mention needs be made of the following:

1. In pursuance of the Government of India, Ministry of Human Resource Development, Department of Higher Education letter (Ref. F.No. 48-8/2012-Desk(U)) dated 16.09.2013 and letter (Ref. F.No. 48-8/2012 - Desk(U)) dated 04.03.2014, in exercise of the powers conferred under Section 44(c) of the Central Universities Act 2009, the First Court of the Central University of Rajasthan, Bandarsindri, NH-8, Kishangarh, has been constituted for a term of three years. The court has a galaxy of 33 personages as its members with Dr. Sam Pitroda as the Chancellor.
2. As per provisions of the Statute (41) as communicated by MHRD vide letter no. 48-3.2012-Desk (U) dated 20th March 2013, the Planning and Monitoring Board of the Central University of Rajasthan, has been constituted. The Board has 12 members headed by Prof. A.P. Singh, the acting Vice-chancellor.
3. The Statutes and Ordinances Committee
4. Committee for framing of Cadre Recruitment Rules (Non-teaching Employees), 2013

**Our Blue-print for the Knowledge:** The University aims to grow as a centre for education and research. For this, the plans for world-level research facilities are partly underway, partly imminent. Knowledge without wisdom will only fall short, so the university is ever at pains to weave knowledge and innovation into the fabric of the society. And also, the research is invariably targeted at preservation of heritage- be it environmental or cultural. This alone shall make centre for education really instrumental in guiding the society at large and holding a lamp to every step taken by its people. This alone may help us achieve what Gurudev Tagore phrased aptly, "Where the mind is without fear and the head is held high/ where knowledge is free/Where the world has not been broken up into fragments..."

## The Vision, Mission, Goals, Objectives & Quality Statement

### Vision

- "The Central University of Rajasthan aspires to be one of India's most dynamic and vibrant universities, responsive to the changing global trends, providing unparalleled educational opportunities for the learner community especially for those coming from the lower socio-economic strata of society seeking quality education. It proposes to offer innovative undergraduate and graduate academic programmes as well as continuing personal and professional enrichment in selected areas that will lead to the formation of a scholarly community by advancing, sharing and applying knowledge and by facilitating the development of thoughtful, creative, sensitive and responsible citizens."

### Mission

- "The mission of the Central University of Rajasthan is to contribute to and work with a sense of commitment towards the educational, cultural, economic, environmental, health and social advancement of the region and the nation at large by providing excellent undergraduate liberal education and quality programs leading to bachelors, masters, professional and doctorate degrees."

### Goals

- To facilitate accessible and affordable quality education that equips the students with scholarly and professional skills, moral principles, and global perspectives.
- To strengthen both faculty and student research addressing basic and regional problems.
- To integrate national and international perspectives into our fundamental four-fold mission of teaching, research, extension and consultancy.
- To explore knowledge and wisdom in order to build a wealth of interdisciplinary academic resources indispensable for sustainable development to accomplish the status of a leading research-intensive university; and to engage in transferring knowledge and technology to the community in order to strengthen and elevate the community potential, and to increase the competitiveness of India at the global level.
- To employ the strategy of proactive management of the university administration and to operate the system within a sensible framework of high-quality governance based on efficiency, transparency and accountability.
- To formulate the University as one of the best places in the world to attain intellectual skills and acquire an affirmative mindset to thrive in an increasingly internationalized and competitive job market simultaneously acting as responsible citizens of the global community by the inculcation of value-oriented education.

### Objectives

- Building character values and simultaneously forging the careers of the students by developing analytical thinking, individual initiative and responsibility.
- Providing flexible, innovative academic and research programmes and support structures that are responsive to a broad range of learners and regional needs.
- Facilitating a wide range of learning opportunities for learners engaged in graduate, postgraduate and research programmes.
- Encouraging considerate and accountable faculty-student participatory interaction on local, state, national and international affairs.
- Recognizing a special obligation to educate the students coming from minorities and lower socio-economic strata of the society.
- Undertaking research and consultancy on the challenges the region is facing and contributing its expertise for the community.
- Providing means for capacity building for leadership and service through academic programmes, campus activities and creating opportunities for community involvement.

### Quality Statement

- "In order to meet the challenges of the knowledge era and to keep pace with the knowledge explosion in Higher Education, the Central University of Rajasthan is committed to inculcating and sustaining quality in all the dimensions of Higher Education viz. teaching, learning, research, extension and governance while catering to the regional and global needs."

Detailed information on Examination and Evaluation is given in University Ordinance No 03.

### Medium of Instructions and Examinations

The medium of instruction is English for all courses of the university, except in case of Languages.

### Attendance

All students must have a minimum of 75% attendance, in order to be eligible to appear at the End of Semester examination (EoSE) for the programme.

### Exit Options

Exit options are available after B.Sc., if not continuing further for Master's degree.

### Audit Courses

In addition to the common and core courses, students may also take audit courses and other courses available in various schools of the University for augmenting skills and knowledge in the area of their interests.

### Student Discipline

Each student is expected to maintain a very high standard of discipline and show respect to the teachers, be very co-operative with the fellow students and become brand ambassadors to the Society.

1. Discipline includes the observance of good conduct and orderly behavior by the students of the University;
2. The following and such other Rules as framed by the University from time to time, shall strictly be observed by the students of the University;
  - Every student of the University shall maintain discipline and consider it his/her duty to behave decently at all places;
  - No student shall visit places or areas declared by the University as "Out of Bounds" for the students;
  - Every student shall always carry on his/her Identity Card issued by the competent authority;
  - Every student, who has been issued the Identity Card, shall have to produce or surrender the Identity Card, as and when required by the University
  - Any student found guilty of impersonation or of giving a false name shall be liable to disciplinary action;
  - The loss of the Identity Card, whenever it occurs, shall immediately be reported in writing to the competent authority; and
  - If a student is found to be continuously absent from Classes without information for a period of 15 days in one or more Classes, his/her name shall be struck off the rolls. He/she may, however, be readmitted within the next fortnight by the Dean on payment of the prescribed readmission fee etc. He/she will not be readmitted beyond the prescribed period.
3. Indiscipline shall include:
  - Irregularity in attendance, persistent idleness or negligence or indifference towards the work assigned;
  - Causing disturbance to a Class or the Office or the Library, the auditorium and the Play Ground etc.;
  - Disobeying the instructions of teachers or the authorities;

4. Students found guilty of breach of discipline shall be liable to such punishment, as prescribed below:
- Fine;
  - Campus Ban;
  - Expulsion; and
  - Rustication.

However, no such punishment shall be imposed on an erring student unless he / she is given a fair chance to defend himself/herself. This shall not preclude the Vice-Chancellor from suspending an erring student during the pendency of disciplinary proceedings against him /her.

5. All powers relating to discipline and disciplinary action in relation to the student shall vest in the Vice-Chancellor. However, the Vice-Chancellor may delegate all or any of his powers as he deems proper to the competent authority or to the Discipline Committee as the case may be or any functionary of the University.
6. i. Without prejudice to Section 11(5) and also Statute 28(1), there shall be a Discipline Committee comprising of the following members:
- Vice-Chancellor's nominee or Pro-Vice-Chancellor
  - Dean Students' Welfare
  - Deans of the Schools
  - Warden, who shall be invited, when the matter concerning his/her Hall of Residence is required to be placed before the Committee for consideration
  - Proctor (Member/Secretary)
- ii. Subject to any powers conferred by the Act and the Statute on the Vice-Chancellor, the Committee shall take cognizance of all matters relating to discipline and proper standards of behaviour of the students of the University and shall have the powers to punish the guilty as it deems appropriate.
- iii. The said Committee shall, make such Rules as it deems fit for the performance of its functions and these Rules and any other Orders under them shall be binding on all the students of the University.
- iv. The recommendations of the Discipline Committee shall be submitted to the Vice-Chancellor whose decision will be final and binding. However, the Vice-Chancellor, if he is of the opinion that the case merits' review, may refer the case back to the Discipline Committee for reconsideration.
- v. Appeal against the decision of the Vice-Chancellor will be dealt in accordance with the provisions of Section 34 of the Central Universities Act 2009.
- vi. One-third of the total members shall constitute the quorum for a meeting of the said Committee.

## **Avoid Plagiarism**

Plagiarism means presenting another person's ideas, work, copying or reproducing the work without due acknowledgment of the source. Work submitted for assessment may also be regarded as plagiarized where significant portions of an assignment have been reproduced from the work of another student. Hence the students are advised to not to resort to plagiarism in their work. The Central University of Rajasthan is opposed to and will not tolerate plagiarism.

## **Academic Honesty**

The role of the Central University of Rajasthan is to create, preserve, transmit and apply knowledge through teaching, research and creative works. The university is committed to academic excellence and high standards

of ethical behavior as the corner stones of scholastic achievement and quality assurance. The university requires all students to act honestly, ethically and with integrity in their dealings with the university employees, the other students and public.

### **Sensitization Prevention and Redressal of Sexual Harassment (an APEX Body of SPARSH)**

Central University of Rajasthan strives to provide a place of work and study free of sexual harassment, intimidation or exploitation. Where sexual harassment is found to have occurred, the University will act to stop the harassment, prevent its recurrence, and discipline and/or take other appropriate action (as per the university ordinance 21 sensitization, prevention and Redressal of sexual harassment, Act Section 28(n)) against those responsible. Reports of sexual harassment are taken seriously and will be dealt with promptly.

### **Anti-Ragging Cell**

Any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness any other student, indulging in rowdy or undisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear of apprehension thereof in fresher's or junior students or asking the students to do any act or perform something which such students will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student.

The Central University of Rajasthan is opposed to and will not tolerate ragging. All cases of ragging will be strictly dealt with as per provision under ORDINANCE 22 Curbing the Menace of Ragging in Higher Educational Institutions (Act Section 28 (n). You may use 24x7 Anti Ragging Helpline, Toll free No. 1800-180-5522 or E-mail- [helpline@antiragging.net](mailto:helpline@antiragging.net).

### **Student Advisor**

Every student admitted to any programme of the university will have a faculty member from the concerned department as his advisor (called 'student advisor'). The student advisor will track and monitor the student's regularity in the class room attendance, performance in tests and in completing other assignments in all the courses the student is required to pursue. Based on the assessment of the student's progress and conduct he will be suitably advised and guided so as to ensure that the student remains focused on his primary academic objective. Problems due to any extra ordinary situation will be discussed with the Head and resolved at the department level. Every student will keep in touch with his advisor and meet him periodically, as prescribed by the advisor, and strive to improve his / her performance. A student may also seek advice regarding appearance at the professional examination and participation in outside seminars and other co/extra-curricular activities in a way that does not affect his primary objective.

### **Transparency**

It is the policy of the University that all processes, including evaluation at various stages will be fully transparent. The answer scripts of all tests and EoSE are shown to the students on the stipulated date announced by the concerned departments and shortcomings in the answers are pointed out and guidance is given for improving future performance. A student on his/her own can seek guidance for improvement in performance from the teacher in-charge of the particular course.

### **Summer Internships**

In order to retain the focus of the students on the academic programmes and to compliment it with relevant work experience during the summer break, the university has introduced a scheme of internship/summer training for all the students. The main objective is to provide an edge to the students to ensure better placement opportunities for them on completion of their degrees. This will also give them a feel for the work environment in organizations of the type they would possibly be associated with their professional careers. During the last three years, the organizations facilitating internship/summer training covered a broad spectrum of the industry, government, academic institutions, research institutions, health institutions, regulatory bodies, NGOs, media etc.

The department, in association with the facilitating organization, will be monitoring the work and regularity of the internees. It is also proposed to take feedback from the students after completion of their internship to increase the effectiveness of the scheme.

A report not exceeding two pages is expected to be received from each student outlining the work carried out by him / her during internship/summer training. The department may organize a presentation session internally to assess the quality, relevance and utility of internship/summer training provided.

## NSS

Aims:

- National Service Scheme aims to give an extension dimension to the higher education system and orient the student youth to community service while they are studying in educational institution. The educated youth who are expected to take the reins of administration in future are found to be unaware of the problems of the village/slum community and in certain cases are indifferent towards their needs and problems.
- Therefore it is necessary to arouse the social conscience of the students, and to provide them an opportunity to work with the people in villages and slums. It is felt that their interaction with the villagers and slum dwellers will expose them to the realities of life and bring about a change in their social perception.

The Motto:

- The motto or watchword of the National Service Scheme is: 'NOT ME BUT YOU'. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. Therefore, it should be the aim of the NSS to demonstrate this motto in its day-to-day programme.

Incentive (s) to the students:

- The NSS volunteers get appropriate weight if they complete 2 years in NSS and they also get a certificate signed by the Vice-Chancellor of the university.
- Universities may give preference to such NSS volunteers in matters of admission, promotion and other privileges as decided by them.
- NSS volunteers are honoured at university level for their excellent and outstanding work in NSS.
- The states may also institute state level/district level awards for outstanding NSS volunteers.
- NSS volunteers can also be nominated for Indira Gandhi Awards at National Level.

## Career Counseling Cell

Students undergoing Masters Programme in various disciplines at the University seek jobs as they pass out. Some may wish to start their own enterprise. Employability of the students is a function of students' subject knowledge, functional and social skills and attitude. While the subject knowledge and basic functional skills are meticulously imparted by the various departments of the University, there is a felt need to hone skills and attitude that employers look for in candidates. Career Counselling Cell aims to bridge the skill gap in the students and prepare them to be industry ready and meet demands of the competitive market. Various Sessions on me Management, Effective Communication, Interpersonal relationships, Etiquette and Professionalism, Stress Management, Presentation Skills, Creativity and Innovation, Writing Resume & Cover Letter, Handling Group Discussion, Handling Personal Interview, Entrepreneurial Skill are conducted from time to time.

## General Guidelines for Admissions

### **For Integrated M.Sc (5 Year), PG and Ph.D Programmes**

1. The results of the CUCET-2015 for admission to all Programmes have been declared on the website [www.cucet2015.co.in](http://www.cucet2015.co.in). Students are advised to download their score card and bring it at the time of admission.
2. For the purpose of preparation of provisional Merit List, students are advised to submit their marks of qualified examination as notified on [www.cucet2015.co.in](http://www.cucet2015.co.in) or by the University website.
3. Students themselves are responsible to provide correct details, which they must support with the original documents at the time of counseling. The university in no manner would be responsible in case student reports wrong details, which amounts to breach of trust. Consequently admission committee may take serious view and s/he may not be considered for admission.
4. **Student must produce following Important Original Documents along with one set of self-attested photocopies at reporting:**
  - a. Original Secondary School (Class 10th) Mark sheet or Valid Certificate for date of birth.
  - b. Original Senior Secondary School (12th) Mark sheet
  - c. Original Graduation/Post-graduation Mark sheet (for PG and Ph.D admissions respectively)
  - d. Original Category Certificate (SC/ST/OBC(Central Govt., latest one) /Minority BC), if applicable
  - e. Original Certificate: PWD/ Ward of Ex. Service Man / Ward of Defence Personnel /Kashmiri Migrant/Domicile/Ward of NRI: if applicable
  - f. Original Certificate of Conduct/Character Certificate
  - g. School leaving Certificate / Migration Certificate, as applicable
  - h. Medical Certificate, Visa Documents (for applicants from other countries)
  - i. Copy of the CUCET-2015 score card

**Candidates without original documents along with photocopies shall not be considered for admission. If admission is offered, the candidates are required to deposit the complete fee on the same day, failure to which their admission will stand cancelled.**

### **Criteria for perpetration of Merit List**

5. The Provisional Merit List will be based on the CUCET-2015 score as well as on the basis of scores / marks at the qualified exam. The relative weight will be 70 : 30 (CUCET score : % at qualifying exam). In case of tie, weight merit will be decided on the basis of scores / marks in qualifying exam. Percentage of all subjects studied during qualifying exam would be taken into account. **There will be Group Discussion and Personal Interview for MBA Programme in addition to the CUCET-2015 and Qualifying Exam Merit.**
6. Provisional Merit Lists will be put up on the website. **The final Merit List would be prepared by the department concerned at the time of admission after checking and verifying the original documents.**
7. All candidates called for Counseling-cum-Admission Round should remain present personally. The reporting time on the date of Counseling-cum-Admissions is 10:00 AM. The last reporting time before the concerned Departmental Admission Committee is 11:00 AM. Hence, candidates are advised to adhere to time line.
8. **Students must bring the original documents and the prescribed fee.** The fee structure of various programmes is displayed on the University website.
9. If the required information is not received by 11 AM on the day of counseling, the Merit Lists will be prepared on the basis of information available. The candidates concerned shall be responsible for the resultant change in their merit due to incorrect or unavailability of information, if any. There would not be a second round of admission. If required reserved list would be maintained by the department out of present candidates.
10. All students are required to provide correct Email ID and functional mobile phone especially the Wait Listed candidates because all information would be sent on the mail ID and / or SMS / telephonically to given mobile phone. The waitlisted candidates (if called) would be given 48 hours from the time of email and / or SMS to deposit the complete fee in the Account No. 666110210000003, Bank of India, Central University of Rajasthan Branch, IFSC Code: BKID0006667 and send the UTR Number through SMS and scanned copy of deposit receipt by email to HoD/Coordinator of the department concerned. If the student fails to deposit and inform the office of Head of the concerned department within the stipulated time the vacant seat would be offered to the next candidate, who would also be given the same time as well as follow the same system. No representation/complaint would be entertained in this regard. Waitlisted candidates are also advised to collect the email IDs and telephone number of the concerned HoD / Department before leaving the admission hall.
11. No admissions will be made after last date of admission which will be notified by the University.
12. The reservation / conversation of vacant category of seats will be as per the GOI / University norms.
