Only UCEED 2018 qualified students can apply for admission to the B. Des programme at IIT Bombay, IIT Guwahati, and IIITDM Jabalpur for the academic year 2018-2019. The 3 institutes will have a common application form for admissions to their respective B. Des programmes. The JEE (Advanced), UCEED & CEED Office, IIT Bombay will process the common application form and carry out the joint seat allocation process. The common application form is available through the IIT Bombay Admissions Portal. Applicants will be able to fill in their personal particulars and select institutes of their choice by indicating the order of preference.

The application can be submitted after paying the application processing fee, uploading digital copies of relevant supporting documents, and uploading the signed copy of the completed application form (first page only). Detailed instructions on each step of the application process are provided within the online application form.

The supporting documents required for application are digital copies of Photo, Signature, UCEED Score Card, Qualifying Examination Mark Sheet (Class XII or equivalent), and where applicable, OBC-NCL/SC/ST Certificate, PwD Certificate, and OCI/PIO Card.

Applicants will be able to edit their application form, including the order of preference of institutes and resubmit it, till the closing date of the application period. However after the closing date, all applications are treated as FINAL. Requests for ANY changes in the application will be strictly NOT entertained.

It will entirely be the responsibility of the candidate to provide the correct information regarding the qualifying exam and category, and upload the correct documents in the required formats in the application form. Application forms, incomplete in any way, will be summarily rejected and the application will be considered invalid. The admitting institutes have the right to cancel, at any stage, the admission of a candidate in accordance with the rules and regulations in force, if it is found that any information provided by the candidate is incorrect or the application is incomplete.

24. APPLICATION PROCESSING FEES

The B. Des application processing fee for applicants of all category and gender is Rs.1000 (One Thousand Indian Rupees).

25. SEAT ALLOTMENT

Three rounds of seat allocation will be conducted. However, once the seats are filled, the seat allocation will be closed. Seats will be allotted based on the applicant UCEED rank, category and choice of institutes. Selected candidates will be sent provisional allotment letters via their registered email, and will be directed to an online payment system to remit the Seat Acceptance Fee of Rs. 60000 (Sixty Thousand Indian Rupees) for open/ OBC-NCL candidates and Rs. 15,000 for SC/ST/PwD candidates.

The joint seat allotment will be governed by the following rules:

- If the selected candidates do not remit the seat acceptance fee before the given deadline or decline the admission, their application will stand cancelled. These vacant seats will be filled during the subsequent rounds of seat allotment.

- If an applicant is allotted his/her FIRST choice of institute, the candidate can either ACCEPT ('freeze') the choice or DECLINE the offer.

- If an applicant is allotted his/her SECOND or THIRD choice of institute, the candidate can opt to either ACCEPT ('freeze') the choice, or ACCEPT WITH THE OPTION TO BE CONSIDERED FOR UPWARD MOVEMENT ('float') the choice for subsequent round(s), if any, of the joint seat allocation.

- In the 'freezing' option, candidates ACCEPT the offer and indicate that they do not want to participate in further rounds of seat allocation. Such candidates will NOT be considered in subsequent rounds of admission.

- In the 'floating' option, candidates ACCEPT the offered seat and indicate that, if admission to an institute of his/her higher preference is offered, they will accept it. Else, they will continue with the currently accepted institute. Such candidates will be considered in subsequent rounds of admission.

- For candidates who choose the 'float' option, allocation of a seat in an institute of his/her higher preference would automatically result in the forfeiture of the seat accepted by him/her in the earlier round.

- Candidates offered seats have to remit seat acceptance fee only once. Thus candidates who are allotted another seat (because they chose the 'float' option) do not have to pay seat acceptance fee again.

- For candidates who accept offered seat, the seat acceptance fee will be adjusted against the institute fees of the admitting institute at the time of joining. For candidates who decline the offered seat after remitting the seat acceptance fee, the refund will be governed by the policies of the admitting institute.

- If a candidate has paid the seat accepting fee and opts for withdrawal either during the end of first round or before the end of second round will get full refund after deducting the processing charges of Rs. 1000/-. No refund will be allowed after end of last round. No refund is given post 3rd round as their exist no option of "float" of the seats after the 3rd round.
