RECRUITMENT PROCESS

The Campus Recruitment Process in the University will begin from the month of March, 2016. Recruiters may contact the RCC for blocking any suitable dates in these two months or to discuss possible dates in any other month.

All Recruiters must register with the RCC, providing the following information:

a) Mode of Recruitment (on-campus or through telephonic interview/ Video-conferencing)

b) Short-listing process.

c) Date of on-campus placement / date of telephonic interview /

d) Offer details: The RCC will assign a Coordinator post registration, who will coordinate with the prospective Recruiter. It is advisable for the Recruiters to conduct a Pre-Placement Talk before the commencement of the Placement process. To protect employer interests, no student, who has got a placement offer from an on-campus recruiter, will be allowed to sit for further campus placements. The RCC does not endorse any individual efforts for recruitment. However it will facilitate PPO's for students who have previously interned at any particular organization.
